

## PINOT GRIS 2013

Here in Marlborough, classic Rapaura gravels absorb the sun's warmth during the day, radiating back onto the grapes by moonlight, to create the highly aromatic flavours for which Marlborough is so highly reputed.

### WINEMAKER'S REMARKS

This wine is pale lemon in colour with fragrant aromas of orange blossom, fennel and cinnamon. The dry palate displays ripe lemons and spiced flavours with a concentrated, crisp and refreshing finish. Opawa Pinot Gris is a versatile food wine and matches well with a variety of dishes - especially lightly spiced Asian influenced cuisine.

### VITICULTURE & WINEMAKING

Made from grapes sourced from both Wairau and Awatere Valley vineyards, the fruit was harvested in the cool of the morning and pressed using a long slow cycle. A cool tank fermentation followed, using an aromatic yeast. After a short period on yeast lees the wine was clarified and filtered prior to bottling in August 2013.
